

BOHLE PLAINS

4  2  2 

An impeccable expression of high-end design, this stunning residence in the family orientated Bohle Plains is flawless. Presenting like good condition with nothing to do, you'll love what this property offers. The appointed interior and oversized outdoor area lend a quiet sophistication to this perfect family home. Side access is improved with a quality high clearance carport that gives you extra parking. This home has extra features you want and need and is priced way under replacement.
